## Scholarship Details

- (i) The scholarship will be paid by reimbursement within two weeks of a successful unit result being published. Where the student has initially paid the fee up front, this reimbursement will be made via EFT. Where the student has used FEE-HELP the reimbursement will be paid to the Australian Tax Office to be credited against the student's FEE-HELP loan
- (ii) The scholarship offer, including the % unit fee to be reimbursed, will be made to the student in writing and must be accepted before census date of the first unit
- (iii) The recipient must enrol in at least one unit every semester and the scholarship will lapse if the student takes leave or withdraws from their award. If there are extenuating circumstances a student who has previously held a scholarship may apply to have the scholarship reinstated after a period of leave, provided the leave was taken under normal University of Divinity rules
- (iv) No reimbursement will be made in circumstances where a student fails or withdraws from a unit. If the recipient withdraws from all their units before census in any given semester, they will be considered to be on leave and the provisions of (iii) will apply
- (v) The scholarship will lapse if the student fails or withdraws after census in more than one unit. ALC reserves the right to consider continuing the scholarship if there are extenuating circumstances
