Commentary on tuition fees

Tuition fees are to be paid in full either at the time of enrolment or on or before the scheduled unit commencement date, via FEE-HELP assistance or up-front payment.

FEE-HELP

FEE-HELP assistance for tuition fee payment is available, on application, to eligible domestic students for accredited units of study. See www.goingtouni.gov.au/ for eligibility requirements.

Overseas student fees

Minimum fee exemption for overseas students

ALC applies annually to the Branch Manager of the DEEWR Funding and Student Support Branch, for an exemption from the requirement to charge scheduled minimum indicative course fees for overseas students. This means that overseas students enrolled in ALC's theology, ministry and education award courses pay the same tuition fees as domestic students.

The 2010 exemption was granted on 11/08/09.

Application fee for overseas students

A non-refundable application fee is charged. The application fee covers but is not limited to the application process and consideration of the applicant's suitability for the course.
